The management system supports adherence to the following principles:

- 2) Full commitment of all personnel to active involvement in making improvements.
- 3) Full commitment to meeting customer requirements as well as any applicable regulatory and statutory requirements.
- 4) Full commitment to continually improving our management systems.
- 5) Full commitment to ongoing training and development of workers.
- 6) Full understanding by all workers of long term importance of achieving customer satisfaction and meeting all standards and requirements.
- 7) Appraisal and checks on all outsourced services and checks to ensure our approved suppliers understand and meet our quality requirements.
